

# Toadies, Don't Go My Way

Come on baby take it easy  
Stop following me around  
I know you don't believe me  
But you don't want to take the road I'm down

There's no pretty way to find out  
And no promise you'll be okay  
Just give me your word now  
Baby say you won't go my way

Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Hey

You don't want to be lonely  
You don't want to see the things I've seen  
And if you learn one lesson only  
Baby listen stay away from me

Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Hey

Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Don't go my way  
Hey
