

Toasters, Secret Agent Man

There's a man who leads a life of danger
To everyone he meets he stays a stranger
With every move he makes another chance he takes
Odds are he won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken away your name

Beware of those pretty faces you find
Cuz pretty face can hide an evil mind
Be careful what you say
Cuz you can give yourself away
Odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken away your name

----- lead guitar -----

Secret agent man, secret agent man
They've given you a number and taken away your name

Swingin' on the Riviera one day
Lyin' on the Bombay at the next day
Don't let the wrong word slip
While kissing persuasive lips
Odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken away your name
