

Toby Keith, Broken Bridges

There are bridges on life's highway
But we never see them there.
Some cross troubled waters
Some don't go nowhere.
Some you wouldn't step on,
If you were trying to save your soul.
One comes with a keeper
When it's time to pay the toll.
Some aren't meant to last forever
Some are made of stone.
Some are meant to cross together,
Some you go alone.
Some the slightest wind can send them,
Crashing to the ground.
I set a bridge on fire,
But I could not burn it down.

[Chorus]

Now here I am(ooohh)
Prayin for forgiveness
And I can see you(And I can see you)
Standing on the other side(oooh)
Here I go (Here I go)
And Baby it's a heavy load (It's a heavy load)
I have crossed some broken bridges in my time
(Broken bridges in my time)

Now here I am (Now here I am)
Prayin for forgiveness (Prayin for forgiveness)
And I can see you (oh I can see you)
Standing on the other side
(Standing on the other side)
Here I go (Now, here I go)
And Buddy it's a heavy load (Baby it's a heavy load)
But I have crossed some broken bridges in my time
(crossed some broken bridges in my time)
Yes, I have crossed some broken bridges in my time.
