## Toby Keith, How Do You Like Me Now

I was always the crazy one

I broke into the stadium

And I wrote your number on the 50 yard line

You were always the perfect one

And the valadictorian so

Under your number I wrote "call for a good time"

I only wanted to catch your attention

But you overlooked me somehow

Besides you had too many boyfriends to mention

And I played my guitar too loud.

How do you like me now?

How do you like me now,

Now that I'm on my way?

Do you still think I'm crazy

Standin here today?

I couldnt make you love me

But I always dreamed about living in your radio

How do you like me now?

When I took off to Tennessee

I heard that you made fun of me

Never imagined I'd make it this far

Then you married into money girl

Aint it a cruel and funny world?

He took your dreams and tore them apart.

He never comes home

And youre always alone

And your kids hear you cryin down the hall

Alarm clock starts ringin

Who could that be singin

Its me baby, with your wake up call!

How do you like me now?

How do you like me now,

Now that I'm on my way?

Do you still think I'm crazy

Standin here today?

I couldnt make you love me

But I always dreamed about living in your radio

How do you like me now?

Tell me baby...

I will preach on...
