

# Toby Keith, Runnin' Block

My buddy said his girlfriend is as pretty as can be  
He said help a brother out tonight and come double date with me  
She's gotta a baby sister and they're headed into town  
They're lookin' for a good time  
They're fun to be around  
I said what do she look like?  
He scratched his head and stated  
"She was a home comin' football queen before she graduated.  
We'll wine and dine and do 'em fine  
and really double date 'em  
Then take 'em back to the motel six and  
Try to seperate 'em.  
They showed up in a pick up  
They were right on time  
His was kinda heafy  
But not half as big as mine  
I'm runnin' block  
Turn the lights down low  
Runnin' block  
Don't want know one to know  
That I tried to drink her skinny but she's still about 215  
Sometimes you got to bow up  
And take one for the team  
She cleaned her plate at dinner  
Then she ate what's left of mine  
Then she wolfed down a big cheesecake as I drank all the wine  
She strolled out to the padio for an after dinner cig  
I said "Bro you done 'er this time and gonna owe me big  
You know why?  
'Cuz my brother's havin' a party  
Thought you outta know  
He's got coeds swimmin naked
