

# Toby Keith, That Don't Make Me A Bad Guy

That don't make me a bad guy  
It don't scar my resume  
Don't you give me the black eye  
Judging by my day to day  
Easy to love and hard to keep  
Let it dance on the wild side  
I'm only good as I gotta be  
Yeah that don't make me a bad guy  
Chiva whiskey in a paper cup  
Catch a buzz and I sober up  
Comin' down with a pot-a-joe  
Sleep it off and away I go  
Runnin hard til the money's gone  
Half a day and all night long  
Get a girl with my romeo  
Yeah love a while then it's adios  
That don't make me a bad guy  
It don't scar my resume  
Don't you give me the black eye  
Judging by my day to day  
Easy to love and hard to keep  
Let 'er dance on the wild side  
I'm only good as I gotta be  
Yeah that don't make me a bad guy  
Yeah like a man I go to work  
Feel clean in my dirty shirt  
Ain't got a lot but I really try  
I've gotten good at gettin' by  
I'm a son of my daddy's name  
Yeah mama's proud and everything  
When it's time to make some noise  
Boys will be boys  
That don't make me a bad guy  
It don't scar my resume  
Don't you give me the black eye  
Judging by my day to day  
Easy to love and hard to keep  
Let 'er dance on the wild side  
I'm only good as I gotta be  
Yeah that don't make me a bad guy  
Villin or an outlaw  
I might kiss yer girl  
Or catch you with a south paw ain't  
Dangerous, contankerous maybe  
Just lookin' for a real good time  
Yeah a real good time  
Yeah  
That don't make me a bad guy  
It don't scar my resume  
Don't you give me the black eye  
Call me some kinda renegade  
Easy to love and hard to keep  
Let 'er dance on the wild side  
I'm only good as I gotta be  
Yeah that don't make me a bad guy  
I'm only good as I gotta be  
That don't make me a bad guy
