

# Toby Keith, You Didn't Have As Much To Lose

I can't believe it's come to this  
Two broken hearts, one goodbye kiss  
Is this all that's left of me and you  
You seem to take it all in stride  
While I'm crumbling inside  
Letting go is hard for me to do  
But if all my love is easy to refuse  
Then I guess you just don't have as much to lose  
'Cause I'm losing everything that ever meant anything  
How can all of our yesterdays mean nothing to you  
If all my love's so easy to refuse  
Then I guess you just don't have as much to lose  
If all my love's so easy to refuse  
Then I guess you just don't have as much to lose  
I can't believe it's come to this  
Two broken hearts, one goodbye kiss
