

# Toby Lightman, I'd Be Lost

Take care of me now, for I can't hold up my head  
Could you save me somehow, from all the things I've said

Oh don't you ever go away, for I'd be lost out there  
Oh I need you here to stay, cause I'd be lost..

If I can't unfold myself, I'm gonna fall apart  
at the seams  
Boy cause I can't help myself when I don't  
know what I need
