

# Toby Rand, Throw It Away

Verse 1:

I see the monsters causing trouble  
In my head ache again (oh ah oh.)  
Hallucinations of a nature  
making me wanna scream aloud

Wake up girl your sleepy eyes  
are dripping morning sex (oh ah oh.)  
The other night I couldn't fight  
and now I want revenge, my hazy lover

Chorus:

(I just don't need it  
chemical dreaming  
throwing it all away) x 2  
throwing it all away

These other people found the sequel

to my mistrust again (oh ah oh)

I want another life, to begin again  
I want another life, to begin again  
I can see the steeple,  
Gonna kneel, do forgive my sins (oh ah oh.)

Chorus: .

I just don't need it chemical dreaming  
throwing it all away  
I just don't need it, can't stop bleeding  
need a recovery  
I just don't need it chemical dreaming  
throwing it all away
