

Tobymac, Get This Party Started

Everybody everybody in the place to be
Open up your mind and let your soul be free
I can feel the Most High shining on me, so ...
Let's get this party started

Everybody everybody in the place to be
Open up your mind and let your soul be free
I can feel the Most High smiling on we, so ...
Let's get this party started

Blind-sided by the blitz
Come on baby it's on
I couldn't wait to get on this
You ain't no quiet storm
I'm gonna tell it like it is
There ain't no stopping us now
Somebody shut me up so I can live out loud

[CHORUS]

Them people thought I was gone
It's been a long time comin'
But straight out the box
We got the dark side runnin'
So Father, Most High won't You show Yourself
And shine on this record like nobody else
