

Tocotronic, You Are Quite Cool

You are quite cool have you said to me (haaahaaaa)
and I asked myself how could this be (haaahaaaa)
and all I want to say to you is 'Hold to me'
all I want to say to you is 'Hold for heaven's sake to me'

Maybe I have lost my face when I drank too much beer (haaahaaaa)
it happened to me nearly thousand times this year (haaahaaaa)
and all I want to say to you is 'Hold to me'
all I want to say to you is 'Hold for heaven's sake to me'

And all I want to say to you is 'Hold to me'
all I want to say to you is 'Hold for heaven's sake to me'
