

# Today Is The Day, Black Iron Prison

Like a dream...  
She comes...  
Hard...  
I can't see...  
I think I'm blind...  
No sensation...  
Life is no fun...&lt;i&gt;(x4)  
This is my test...  
I tried not to hurt you,  
To make it be alright,  
My words can't cut through,  
I think I need a knife.  
I tried not to hurt you,  
I HATE TO BE ALIVE!

I am the serpent...  
Serenity...
