

Today Is The Day, Black Iron Prison

Like a dream...

She comes...

Hard...

I can't see...

I think I'm blind...

No sensation...

Life is no fun...<i>(x4)

This is my test...

I tried not to hurt you,

To make it be alright,

My words can't cut through,

I think I need a knife.

I tried not to hurt you,

I HATE TO BE ALIVE!

I am the serpent...

Serenity...
