## Today Is The Day, Dot Matrix

I'm in you, So hard, My teeth are numb, Till I turn, Blue!

Virgin lover, Do what I want, Please bend over, Daddy's girl, Say you mean it, Your words, no good, I could kill you, Play with my cock.

The smile, I cry, I wear for you, I can't fly.

Dead heart inside, My dreams have died, I hope I score.

No end in sight, To my f\*\*ked up life, I can't go on.

Diablo...<i&gt;(x4)

I am so lost, I can't be found, I need a friend.

This is my life, I can't be changed. You can't win.
