

Today Is The Day, Realization

I can't cope..

Realize! <i>(x4)

I can't understand,
Why my life is wrong,
I just don't fit in,
I do not belong.

I let myself down.

Real! <i>(x2)

I can't understand,
why my life is wrong,
I just don't fit in,
I do not belong.

I let myself down.

Everything is against you...
Everyone is against you...

Realize! <i>(x4)

I can't understand,
Why my life is wrong,
I just don't fit in,
I do not belong.

This way out...

Realization is the key to the universe.
