

Todd Rundgren, Can We Still Be Friends?

We cant play this game anymore
But can we still be friends?
Things just cant go on like before
But can we still be friends?
We had something to learn
Now its time for the wheel to turn
Grains of sand, one by one
Before you know it, all gone

Lets admit we made a mistake
But can we still be friends?
Heartbreaks never easy to take
But can we still be friends?
Its a strange, sad affair
Sometimes seems like we just dont care
Dont waste time feeling hurt
Weve been through hell together

(La la lala la la lalala
Can we still be friends?)
Can we still get together sometime
(La la lala la la lalala
Can we still be friends?)
You know life will still go on and on and on

We awoke from our dream
Things are not always what they seem
Memories linger on
Its like a sweet, sad old song
