

Todd Rundgren, Love's A Mystery

Real, almost real
I could feel the life flow into my veins
Done, now it's done
I have fallen for the final time
I can't get up again

Love's a mystery I don't understand
Love's supposed to make you glad
Tell me why I feel so sad
Love's a mystery I don't understand
I won't see you anymore
And if that's what love is for
Then I don't understand

Free, now you're free

You don't need me
And you don't want what I give
(baby here is my heart)
Please, help me please
'cause if life is made for hearts in love
Then how am I to live

Love's a mystery I don't understand
It's so hard to be alone
When the one you love is gone
Love's a mystery I don't understand
You won't stay another day
And if that's all you can say
Then I don't understand
