

Todd Rundgren, Most Likely You Go Your Way &

You say you love me and you thinking of me
But you know you could be wrong
You say you told me that you want to hold me
But you know you're not that strong

I just can't do what I done before
I just can't beg you anymore
I'm just gonna let you pass

I'm gonna last
'cause time will tell just who has fell
And who's been left behind
When you go your way and I go mine

You say you disturb me and you don't deserve me
But you know sometimes you lie
You say you're breaking and you're always aching
But you know how hard you try

Sometimes it gets so hard to care
You just can't be this way everywhere
I'm gonna let you pass

Well the judge he holds a grudge
He's gonna call on you
But he's badly built and he walks on stilts
Watch out he don't fall on you

You say you're sorry for telling stories
That you know I believe are true
You say you got some other kind of lover
And I guess I believe you do

You say my kisses aren't like his
This time I ain't gonna tell you why that is
I'm just gonna let you pass
