Let's Go to the club.

Darkness. We are going the darkness street. Lovely Night.

We are laughing and full of energy. We're ready to dance!

All night long! We can dance! We can dance!

We don't want to go out before 2 o'clock. We want to dance.

Let's go to the club tonight

Let's go to dance everywhere

Let's go playing and show them that we can dance.!

We're playing fine meeting people.

Who are fine and funny

Some of them are super and some of them are ok.

Try to give us one example of danger in the club

Give, please! You're afraid . . . You're coward.

Let's go to the club tonight

Let's go to dance everywhere

Let's go playing and show them that we can dance.!

The night is our! We are going to dance. All Night long!

We're strong! And we want to dance.

This is our life!

It gives us the power.

Let's go to the club tonight

Let's go to dance everywhere

Let's go playing and show them that we can dance.!

We feel the power!

Go to the club !
