

Tokio Hotel, Darkside Of The Sun

Hello x2

On the tv,
In your face,
on the radio oh

It's a riot,
It's a riot,
They say no, oh

You are frantic,
Don't you panic,
Let it go oh

We are, we are, we are

In the cities,
On the streets,
Around the globe-oh

They turn anything you love into a bow-oh

From the credits,
To the great part,
Of the show oh

We are, we are, we are

Radio mysteria

Hello!
The end is near
Hello!
We're still standing here

The future's just begun
on the dark side of the sun x 2

hello x2

All the weapons
in your hand
under controle-oh

But they wait,
instead of chasing,
Now its o-old

Time is running
but your future's
Long ago oh

We are, we are, we are

Radio mysteria

Hello!
The end is near
Hello!
Were still standing here

The future's just begun
on the dark side of the sun x4

Will you end the pain?
When I'm by your side
Will follow me into the night?

They're not gonna get us

We'll be alright.

And one day
The dark side will
shine

For us! x2
Hello!
The end is near

Hello!
Were still standing here

The future's just begun
on the dark side of the sun x4
