

Tokio Hotel, Something New

Midnight in my city
All these lights they call my name
My world isn't pretty
I got the best of you

Pick me up /4x
Help me back on my feet
Pick me up /4x
It feels like I can see

Something new
Do you feel it too?
I;m looking for Something new
I don't know what I'm looking for
But I'm looking
For something /3x

I felt everything
I'm ever gonna feel
Don't know where I 've been
All these streets look wrong
Don't know where I belong

Pick me up /4x
Help me back on my feet
Pick me up /4x
It feels like I can see

Something new
Do you feel it too?
I;m looking for Something new
I don't know what I'm looking for
But I'm looking
For something /3x

Do you feel it too?
I;m looking for Something new
