

Tokyo Diiva, Bad Girls Club

(bad girls, bad girls)
don't you wish you could walk in these shoes.
but hey why not they are jimmy choos
yes, i'm blessed. fresh like sest
than daddy said i'm such a princess
i'm so damn rude but my skins so soft
if you don't like it just pop off.
don't like me take a hike take a hit
does it look it like i care what you think
*bad girs we like to play rough
step to my face and your gonna get touched
bad girls we like to talk tough
don't you wish you could roll with us
i'm bad but i look so good
step to my face girl i wish you would.
love to hate us can't get enough
welcome to the bad girls club*
everyone says i got a dirty mouth
you better step to the side this is my house
i speak my mind all day and i say
freedom of speech is the U.S.A.
so bite me if you don't like me
what can i say i'm bad like mikey jackson
yo i'm about to snap and you bring the cameras
and i bring the action
*bad girs we like to play rough
step to my face and you better get tough
bad girls we like to talk tough
don't you wish you could roll with us
i'm bad but i look so good
step to my face yo i wish you would.
love to hate us can't get enough
welcome to the bad girls club*
