

# Tokyo Police Club, Be Good

It's been a blast  
But we've been caught  
Packing up your suitcase  
Hard day, long face  
Get the story right  
Get the story right  
Get the story down

Waltzing right out of the room  
Be good when your parents stay over in June

It's been alright  
But we have fought  
Ways of the samurai  
Parry thrust, do or die  
Not the fighting type  
Not the killing kind  
Get the story down

Waltzing right out of the room  
Be good when your parents stay over in June

I heard the news  
I'll send a card  
Cellar door, Friday night  
Long johns, hold tight  
Put it on a page  
Put it on a line  
Get the story down

Waltzing right out of the room  
Be good when your parents stay over in June
