

Tokyo Rose, Third Semester

what finds me here
what finds you there
the only days i count are the ones up till i see you the next time
until then-

look how they do it
i wanna do it just the same
how do they do it,
i wanna do it just the same
how can we do it
i wanna do it just the same
and anything i wanna do are tied on nights like these

when will i find you
all way back into my yards
how long will you reach out for me before your arms get tierd
dont let go

look how they do it
i wanna do it just the same
how do they do it,
i wanna do it just the same
how can we do it
i wanna do it just the same
and anything i wanna do are tied on nights like these

is there a thing we can do for this tension, yeah this pulling
is this beyond i control whats the difference with 3 and 900 miles

is there a thing we can do for this tension, yeah this pulling
is this beyond i control whats the difference with 3 and 900 miles

is there a thing we can do for this tension, yeah this pulling
is this beyond i control whats the difference with 3 and 900 miles

how long will you reach out
how many days- i'll count
how long will you reach out
how many days- i'll count
