

Tom Eeckhout, End Of School Year 2003-2004

End of schoolyear 2003-2004

The school year is over
The vacation begins
I'm really gonna miss my friends
Especially those of my class

Nielsen is always happy
There was no moment that he was sad
And he is very funny
He's one of my best friends that I had

Elien was always there for me
When I needed somebody to talk to
She always understood me
And gave me advice

Sally is very crazy
She created the mister sexy in me
My hart belongs to her
And I am never gonna forget yoooooooooooooooooooo

The school year is over
The vacation begins
I'm really gonna miss my friends
Especially those of my class
