

# Tom Green, I'm No Comedian

Ha

Ha

For those of you that think this is, a comedy record...

Check it!

[Verse 1:]

I'm no comedian

I'm a fiend for nicotine

But I don't need a cigarette

Know what I mean?

I keep 'em bustin' a nut

On these routines

You'll never see a brick wall

Back of my blue jeans

So come around

Open your mouth for protein

If rockin' the mic was a drug

Then I'm a dope fiend

There's not a neon sign that says

'Yum, Yums' or 'Cracker Jacks'

My raps are causin' laugh attacks

Not knock knock jokes

I tickle trunks

Now who's on first?

You silly punks

Home, without hit re-runs

It won't be syndicated sitcoms

Just me droppin' bombs

'Cause I'm no comedian

I'm droppin' dope like this one

It's not Carrot Top causin' a shit storm

I'm break wreck

Roll over ya like a german tank

There's no redemption

This ain't shawshank

Or Johnny Carson

Or Buddy Mark

Unless Pee-Wee Herman

But funny like Biz Markee

But I ain't no joke

On the mic I'm a killa

So go get in a cacoon and curl up like a caterpillar

You wanna have a chuckle? (Ha, Ha)

I'm not in the mood

So just buckle up your seat buckle

And prepare for impact

And if you're wearin' your retard helmet then you'll be intact

[Chorus:]

I'm droppin' dope like this one (Ha, ha, ha, ha)

I'm no comedian

I'm droppin' dope like this one

And I ain't no joke

[Verse 2:]

I'm no comedian

I got too many fat raps

And sucka Emcees flat like flapjacks

I'm not tellin' a joke or a riddle

I'm not Jack Paar

Jumpin' on a stool in the middle of the stage

Under the spotlight

I'm just a roastin' most of ya

Never been toasted

I'm the poster for boastin'

I got more flows than your foes

And tongue-tied in a twiddle

Dee-dot, duh-deedle-deedle dum!  
Ha, Ha (Ha, Ha)  
I'm no comedian  
I'm rippin' it up in every medium  
I sound dope  
You sound like you're on helium  
So say hello to my ex at your next A.A. meetin'  
And don't make me laugh  
Oh wait, That's right  
You don't make me laugh  
You got the personality of an overpass  
Your bank account on overdraft  
While I'll be dippin' dollar bills in your girlfriends ass  
I'm blowin' your brain like the sax  
With my rhymes  
Shapin' your ball like kojack  
Throw jacks, and smokes  
And tell jokes when no one laughs  
Give a shrug and drop it on another track  
This is a payback  
Prepare for impact  
Put on your retard helmet and you'll be intact  
HOOO!  
[Chorus]  
I'm no comedian  
I'm droppin' dope like this one  
I'm no comedian  
I'm droppin' dope like this one  
I ain't no joke.
