

Tom Green, Teachers Suck

Okay! This is going out to all of my teachers from elementary school, for middle school, all the way up to high school and college. I wanna say thank you for the knowledge, thank you for teaching me everything there is to know about this life, and I wrote this song for you as a way of saying thanks...hahaha Check it...

I like to drink, and I like to smoke,
my teachers suck because they all a joke.
They just folks that couldn't get a job,
cause they were either too stupid or just a knob.
The shit they teach it ain't even shit, I never used algebra one bit,
I never learned a thing in class that I need, huh, except maybe how to score some weed.
Or go to the dance, and get laid, never taught me how I'm gettin' paid.

Instead they got me reading a map. Sweden? Where the fuck is that?
And why the fuck do I need to know, I just gotta get on a plane and get off at Stockholm.

I like to drink cause I like to smoke.
My teachers suck they all a joke.

or just a knob.

like The Merchant of Venice and it's unclear why everybody calls it all good,
when nobody I know thinks it's good. Like in 200 years they'll be teaching the kids Empire Strikes E
like it's all genius and crap, maybe they'll study this rap and talk it up like "A matter of fact...&
