

Tom Helsen, Home

Unwanted again
I thought you knew cause you're a friend
I was not supposed to be there
But I had to take a (stand?)
Unwanted again
It's not because of who I am
or all the things I once believed in
we are vanishing again
O I don't know what to do when I say
I got to see you tomorrow
O I don't know how to give and take it all
It is a mess
O I don't know what to do when I say
I got a right to know
I take the last few things that you have
And we'll call it home
Unwanted again
I don't know how I don' know when
But in the end it comes and takes you
to a place you've never been
unwanted again
I don't know why I should pretend
And after all these years of running
I can't tell you who I am
I just realise
O I don't know what to do when I say
I got to see you tomorrow
O I don't know how to give and take it all
It is a mess
O I don't know what to do when I say
I got a right to know
I take the last few things that you have
And we'll call it home (x2)
O I don't know what to do when I say
I got to see you tomorrow
O I don't know how to give and take it all
This is a mess
O I don't know what to do when I say
I got a right to know
I take the last few things that you have
O I don't know what to do when I say
I got to see you tomorrow
O I don't know how to give and take it all
It is a mess
O I don't know what to do when I say
I got a right to know
I take the last few things that you have
And we'll call it home
Yeah we'll call it home
Oh we call it home
