

Tom Helsen, Sun in her eyes

apututu yeah you

let it go stop
I don't now stop
is it right to let you be the other girl and
do you mind stop

and I won't stop
I never take it all for granted oh
the sun in her eyes will do
pututu yeah you the sun in her eyes will
pututu yeah you and the sun in her eyes will do
pututu yeah you and the sun in her eyes will
let it go stop

it ain't no crime stop
to take your time stop
like I told you
I never take it all for granted oh
the sun in her eyes will do

pututu yeah you and the sun in her eyes will do
pututu yeah you and the sun in her eyes will

I found myself because of you
I never saw it coming and
sad but true

I never saw it coming and I know it's true
pututu yeah you
