

# Tom Jobim, Someone To Light Up My Life

(by Tom Jobim & [[Vincius De Moraes]],  
english lyrics by Gene Lees)

Go on your way with a cloudless blue sky above  
May all your days be a wonderful song of love  
Open your arms and sing of all the hidden hopes you're ever treasured  
And live out your life in peace  
Where shall I look for the love to replace you?

Someone to light up my life  
Someone with strange little ways  
Eyes like a blue autumn haze  
Someone with your laughing style

And a smile that I know will keep haunting me endlessly  
Sometimes in stars or the swift flight of sea-birds  
I catch a moment of you  
That's why I walk all alone  
Searching for something unknown  
Searching for something or someone to light up my life

That's why I walk all alone  
Searching for something unknown  
Searching for something or someone to light up my life
