

Tom Jones, A Little You

There's a little truth in
every lie you tell me
A little good in all the bad
you do....yesss
So instead of running away
Why don't you listen
when I say
All I want is just a little you

I've been wanting you to say
the words, I love you
A little love is gonna make
all my dreams come true...ohhh...
So instead of running away
Why don't you listen to me
when I say
All I want is just a little you

Ooh, there's nothing in this
world I couldn't do
If you would only say
you love me true
'Cause, baby, all I want is
a little you
Through the day and through
the nighttime too
Just a little you.....

There's a little truth in every
little lie that you tell me
A little good in all the bad
you do, yes
Instead of running away
Why don't you listen to me
when I say
That all I want is just a little you
Ohhhh, child,
I said all I want
is just a little you.....
