

# Tom Jones, Chills & Fever

I get ooh, chills & fever  
Yeah, chills & fever  
Humm, chills & fever  
Chills & fever is whatchu give to me

Now when you  
Hold my hand  
Tell me  
That I'm your  
Lover man  
Squeeze me  
And hold me tight  
And tell me, babe  
You gonna love all night

I get ooh, chills & fever  
Woow, chills & fever, baby-awwww  
Chills & fever!  
Chills & fever is whatchu give to me

Now when it's  
Late at night, and  
I wanna hold you tight  
I tell you  
That I love you, so

And I never, ever,  
Ever let you go

You gimme ooh, chills & fever  
Woow, chills & fever  
Awww-babe, chills & fever!  
Chills & fever is whatchu give to me  
All right gal!

You gotta call me  
Any time  
But now call runnin'  
Wait on, shy  
I tell you  
That I love you, so  
And I never, ever,  
Ever let you go

You gimme ooh, chills & fever  
Woow, chills & fever  
Awww-babe, chills & fever!  
Chills & fever is whatchu give to me

You gimme chills & fever, babe  
You gimme chills & fever, hunny
