Tom Jones, Funny familiar

Last night, quietly, she walked through my mind As I lay searching for sleep. Her soft hand reached out, she whispered my name As she brushed a tear from my cheek. And then those funny familiar forgotten feelings started walkin' all over my mind. It's sad, so sad to watch love go bad, but a true love would not have gone wrong. I'm just thankful for the good times we've had for without them I could not go on, With all these funny familiar forgotten feelings walkin' all over my mind. I must go on, be strong, tho' a million teardrops may fall, Before these funny familiar forgotten feelings stop walk' all over my mind.
