

Tom Jones, In The Midnight Hour

I'm gonna wait till the midnight hour,
That's when my love comes tumbling down,
I'm gonna wait till the midnight hour,
When there's no one else around,

I'm gonna take you,
Girl and hold ya,
And do all the things I told ya,
In the midnight hour,
Yes I am,
Woohoo yes I am,

One more thing I just wanna say right here,

I'm gonna wait till the stars come out,
To see that twinkle in your eye,
I'm gonna wait till the midnight hour,
That's when my love,
Began to shine,

You're the only girl I know,
That really loves me so,
In the midnight hour,
Oh yeah,
In the midnight hour,
Yeah, alright,
Play it for me one time now,

(repeat chorus)
