

Tom Jones, Lift Me Up

LIFT ME UP
WRITER JEFF LYNNE

Love is what I want And all you gotta do is bring it to me, baby
Talk is what I want What I want Oh, yeah What I want
And all you gotta do is bring it to me, baby
Talk Come on, let's talk about it Talk Can't seem to do without it
Talk Don't want to be one of the broken hearted
So lift me up, finish what you started
Take me on for a ride Lift me up from the broken hearted
River's deep and wide All I want is love What I want Oh, yeah What I want
And all you gotta do is listen to me, baby What I want
(Think, think, think, think, think, think, think, think)
You got to think about it And do something about it
No use complainin' when it's over o-ver So lift me up, finish what you started
Take me on for a ride Lift me up from the broken hearted
River's deep and wide Life 'Cause life gets tougher every
Day Day if you can't afford to Pay Pay, even so you got to carry on carry on
So lift me up, finish what you started
Take me on for a ride Lift me up from the broken hearted
River's deep and wide Lift me up Take me on for a ride
Lift me up from the broken hearted
River's deep and wide Lift me up Lift me up
Lift me up The river's deep and wide
