Tom Jones, The Full Monty Medley

You've done it all, you've broken every code And pulled the rebel to the floor You spoilt the game, no matter what you say For only metal - what a bore! Blue eyes, blue eyes, how come you tell so many lies?

Come up and see me, make me smile Or do what you want, run on wild Come up and see me, make me smile Or do what you want, run on wild

Mr tom jones!
Baby take off your coat (tell 'em tom!)
Real slow
Baby take off your shoes
I'll help you take off your shoes

You give me reason to live You give me reason to live You give me reason to live You give me reason to live

Well, you can leave your hat on You can leave your hat on Well, you can leave your hat on You can leave your hat on Well, you can leave your hat on

Leave it on, You can leave your hat on - yeah.

One two three yeah
