

# Tom Jones, You've Got A Friend

You just call out my name, and you know where ever I am  
I'll come running, running to see you again.  
Winter, spring, summer, or fall, honey  
All you got to do is call and I'll be there, yes I will.  
You've got a friend.

When you're down and troubled and you need some love care  
And nothing . No, nothing is going right.  
Close your eyes and think of me and soon I will be there  
To brighten up even your darkest nights.

You just call out my name, and you know where ever I am  
I'll come running, running to see you again.  
Winter, spring, summer, or fall, baby  
All you got to do is call and I'll be there  
You've got a friend.
