

# Tom Lehrer, We Gather Together (Thanksgiving Song)

We gather together to ask the lord's blessing  
For turkey and dressing and cranberry sauce.  
It was slightly distressing but now we're convalescing  
So sing praises to his name and forget not to floss.  
Our nearest and dearest we don't want confessing  
It's sort of depressing to have them so near.  
Our feelings suppressing for lightly acquiescing  
And perfectly professing we're glad they were here.  
We gathered together and got the lord's blessing  
Of course we're just guessing 'cause how can you tell?  
Our stomach's are bloating,  
Our kidneys nearly floating,  
Hellos are very nice but goodbyes can be swell.
