

# Tom McRae, A Thousand Suns

Rejecting all I have  
is just shadows on the wall  
my love  
I'm not trying to show the world  
I'm not trying to slow my fall  
my love

Soon I'll be gone  
Soon I'll be gone

From this fossil of the heart  
I hear a beating sound  
my love  
As they put you in the ground  
It's like one of us woke up  
my love

Soon I'll be gone  
soon I'll be gone

But with the light of a thousand suns we will burn  
with the light of a thousand suns we will burn  
we will burn

And time is playing out  
In all its weary ways  
my love  
We'll raise our arms to fight  
still lose ourselves in flames??  
my love

Soon I'll be gone  
soon I'll be gone

But with the light of a thousand suns we will burn  
with the light of a thousand suns we will burn  
we will burn
