

# Tom McRae, You Only Disappear

Close my eyes I'm moving still  
Magazines and dollar bills  
And you wake up to a fall of snow  
Your telephone your radio

Baby I'll call up a storm  
Keep you safe from harm  
But you only you only disappear  
You only you only disappear

I can live with my regrets  
Still raise a smile, still raise my head  
And a stranger God can be so cruel  
And a holy fool is still a fool

But this is all I can say  
I have lost my way  
But you only you only disappear  
You only you only disappear

With a word with a line  
With a smile that says goodbye  
Baby says goodbye  
Baby says goodbye

It's raining now  
On Royal Street  
And I'd walk to you  
If I could trust my feet
