

# Tom Morley, My Song For The World

When I wake up early in the morning  
Until I go to bed at night  
Peace is always what I dream of  
Is it somewhere in sight

So tonight I'll close my eyes  
And fly so high across the skies  
And with the world held in my hand  
I'll sing for souls throughout the land

If I became a star  
I'd try so hard  
To move this world with my heart  
Singing songs of hope and peace  
So people know it can be achieved  
And so tonight I'll sing my song for the world

When I'm in bed and I'm dreaming  
Of how it could be without war  
No more fighting no hurting  
And no more suffering anymore  
I hope that all around the world  
Every boy and every girl  
Will sleep tonight with peace and love  
In the hearts forever more
