

# Tom Odell, Smiling All The Way Back Home

The party's nearly over  
We're sat there on a sofa  
Kinda close, getting closer  
I know that you gotta go but

I don't wanna say goodbye  
It's been so long since I  
Stayed up late at night  
With someone that I like

I'm gonna be smiling all the way back home  
Smiling all the way back home  
I'm gonna be smiling all the way, smiling all the way  
Smiling all the way back home

You're on the street now, we're stalling  
The Uber driver keeps calling  
You say to me just ignore him  
4:45am in the morning

I don't wanna say goodbye  
It's been so long since I  
Stayed up late at night  
With someone that I like

I'm gonna be smiling all the way back home  
I'm gonna be smiling all the way back home  
I'm gonna be smiling all the way, smiling all the way  
Smiling all the way back home

I don't wanna say goodbye  
It's been so long since I  
Stayed up late at night  
With someone that I like

I'm gonna be smiling all the way back home  
Just smiling all the way back home  
I'm gonna be smiling all the way, smiling all the way  
Smiling all the way back home
