

# Tom Petty, A Self-Made Man

(Tom Petty)

If he don't wanna talk  
Leave him alone  
If he don't wanna talk  
Leave him alone  
He's a self-made man, he did it on own

Now some folks say there's a dangerous side  
Some folks say he's got a dangerous side  
He's a self-made man, he knows about pride

(Chorus)  
So help me baby, look what love can do  
It scares me baby, does it scare you do?

Some folks say it was a women he knew  
Some folks say it was a women he knew  
He's a self-made man, he knows how to lose

(Chorus)
