Tom Petty And The Heartbreakers, Come On Dov

Come on down to my house Come on down to my house I'll bet your ass you have a real good time Come on down to my house

Well bring your baby sister Bring your baby sister It's ages since I kissed her Come on down to my house

Bring your baby sister

Bring your baby sister Ooh how I missed her Come on down to my house

Come on down to my house Come on down to my house Come on down to my house

Baby come on down to my house Come on down to my house Come on down to my house
