

# Tom Petty And The Heartbreakers, Got My Mind

If you don't wanna love me then don't say I'm your man  
Honey if you don't wanna love me, don't you say I'm your man  
Oh what's the matter baby, can't you see  
This is not the first time it's happened to me?

I got my mind made up  
I got my mind made up

If you don't wanna kiss me, honey, then don't touch my hand  
If you don't wanna kiss me, honey, you better not touch my hand  
I don't quite get it, why can't you see  
This ain't the first time it's happened to me?

I got my mind made up  
I got my mind made up

I got my mind made up  
I got my mind made up

And if you don't really need me, honey, don't say you do  
If you don't really need me, honey, then don't say you do  
? ? ? something I said  
Still won't convince you not to play with my head, oh yeah

I got my mind made up  
I got my mind made up  
I got my mind made up  
Mind made up  
I got my mind made up
