Tom Petty And The Heartbreakers, Honey Bee

(Tom Petty)

Come on now, give me some sugar Give me some sugar, little honey bee Don't be afraid, not gonna hurt you I wouldn't hurt my little honey bee

Don't say a word, 'bout what we're doin' Don't say nothin' little honey bee Don't tell your momma, don't tell your sister Don't tell your boyfriend, little honey bee

She like to call me king bee She like to buzz 'round my tree I call her honey bee I'm a man in a trance I'm a boy in short pants When I see my honey bee And I've got something to say

Look here now, peace in the valley Peace in the valley with my honey bee Don't say a word, 'bout what we're doin' Don't say nothin' little honey bee

She give me her monkey hand And a Rambler sedan I'm the king of Milwaukee Her juju beads are so nice She kissed my third cousin twice I'm the king of Pomona And I've got something to say
