

Tom Petty And The Heartbreakers, Hung Up And

(Tom Petty)

I'm so hung up
I'm gonna go see her tonight
I'm so hung up
I can't get her out of my mind

Could be just stars in my eyes
Could be this one happened twice

(Chorus)
We're overdue for a dream-come-true
Long time nothing new
We're overdue for a dream-come-true

She said she's going
To move to California one day
Said she's going
Out on safari to stay

She's tired of her job and the snow
We both need somewhere to go

(Chorus)

I'm so hung up on her now
I'm so strung out on her now

A gift from the sun to the moon
I hope something changes soon

(Chorus)

(Chorus)
