

Tom Petty And The Heartbreakers, Roll Another J

Let me run with you tonight
and i'll take you on a moonlight ride
There's someone i used to see
but she don't give a damn for me
But let me get to the point
Let's roll another joint
And turn the radio loud
I'm too alone to be proud
You don't know how it feels
You don't know how it feels
to be me...
People come People go
Some grow young Some grow cold
I woke up in between
A memory and a dream
So let's get to the point
Let's roll another joint
Let's head on down the road
There's somewhere I gotta go
And you don't know how it feels
You don't know how it feels
to be me...
My old man was born to rock
He's still tryin to beat the clock
Think of me what you will
I got a little space to fill
So let's get to the point
Let's roll another joint
Let's head on down the road
There's somewhere i gotta go
And you don't know how it feels
You don't know how it feels
No you don't know how it feels
to be me...
And you don't know how it feels
You don't know how it feels
No you don't know how it feels
to be me...
