

# Tom Petty, Finding Out

(Tom Petty and Mike Campbell)

There's something wrong, I can't get my finger on it  
I must be looking over something  
Sometimes at night I've had to fight with this emptiness  
It's been so hard to see, there's something more than this

(Chorus)

I'm finding out, baby I'm finding out  
Yeah it took a little time to get what love was about  
But honey I'm coming 'round  
I'm finding out

I've had enough of all this hard-core loneliness  
I don't think pain is so romantic  
I'm just a working man  
I feel each day go by  
I couldn't understand, I was too weak to fight

But I'm finding out, I'm finding out  
It took a little time for me to stand up and shout  
But honey I'm coming 'round, I'm finding out

I have to thank you baby-honey I must confess  
You have pulled me from this river of loneliness

(Chorus)
