Tom Petty, Hard On Me

(Tom Petty)

It's all I can do To keep that little girl smiling And keep my faith alive Takes all I got to hold on to tomorrow

And you want to make it hard Yeah, you want to make it hard on me

Some other time
I'd be understanding
You were supposed to be
The friend that I needed when I was down and now

You want to make it hard You want to make it hard on me

Maybe if I tried, I could turn the other cheek Maybe, but how big do I have to be

Now you want to make it hard Yeah, you want to make it hard on me

Maybe if I tried, I could turn the other cheek Maybe, but how big do I have to be

I need someone To put their arm around me Shelter me from all harm Just as I find something to believe in

You want to make it hard You want to make it hard on me Yeah, you want to make it hard You want to make it hard on me
